Volume 31 | January–March 2014

It's hard to believe... we finally moved into our new boutique! We are now located next to Piatti Ristorante and Lucy yoga wear. Thanks to my hardworking staff and family, we moved in two days and got up and running again in three days! Our boutique is much smaller... but I love the space... we were able to fit everything inside our new home! I hope you find it delightful too!

I can't believe it's 2014! Year of the Horse! My wonderful and talented husband Ken will be 50 years old this

February! The big 5-0 – over the hill... a half of a century... 49 again... or shall we say made in 1964, 50 and fabulous, ok... we'll stick with that! Please wish him well when you see him—and give him a hard time!
