CH-CH-Changes! It's all abloom! Everything's coming up roses and CHANGES are in the air. **CHANGES at the store:** Have you seen all of our new glitter glues, spring stamps, oil based pens, washi tapes and spring gifts? You will want it all! **CHANGES for card classes in May:** We have a visiting guest instructor Cindi Nelson – a.k.a. rock-star in the stamping world! This will be Cindi's first visit to our new store at the Pavilions. You may not know her by name, but you know her company! Cindi is the owner of Savvy stamps and Impress rubber stamps of Seattle. These beautiful stamp images adorn the Paper Garden shelves and cardstocks... we are so honored to have her teach in Sacramento!

Another CHANGE: Look for \$15.00 Summer Card classes in June! What a deal!!!

CHANGES on the home front: My super hard working creative and beautiful cousin Laurie will soon have her first child Brent head to college... as of this writing...

we don't know what University Brent will choose but it's definitely a bitter sweet chapter for Laurie, you see... ever since Brent's first day of kindergarten Laurie has told me, "it feels like he's already leaving for college!" 13 years later that line we once laughed about brings tears to all of our eyes. It's like we are all going through the "leaving the nest stage" together—it really does go by fast! No matter where Brent decides to go, we know the life lessons Laurie has taught him will be the driving force of his next chapter! Congrats Brent! As for Laurie, give her a big hug when you see her... and take her a Costco-sized box of tissues!
