### Summer

This September we will be celebrating 11 years at the Paper Garden! PLEASE CELEBRATE with us! Our party is open to everyone on September 1–4 with a big sale and fun prizes and a different free make and take—come all four days and collect 4 different projects.

Every year that Labor Day comes up on the calendar, I have to thank my lucky stars. In any small business, 11 years is a very long time to have your doors open and I owe it to our loyal customers who come back time after time... so I raise a glass to you. But I can't say I did this alone. My staff is the reason why my boutique continues to thrive. If it wasn't for Laurie, Kelley, Christel, Shari and my Mother Shirley and Auntie Naomi, then my doors would be closed... I can't leave out my husband Ken who is the behind the scenes worker bee and creator of many things and let me tell you, he's good at fixing anything... the jack of all trades.

11 is a lucky number for me, I was born 11-11 (November 11th) so I am happy to have fun with the number one this coming year. We have a lot of fun events happening this newsletter. Look for guest designer Julie Ebersole in September with two cool classes where you create 10 cards. She's back with

her high energy and caffeinated personality. Also, we start our holiday cards beginning with Christmas in July, get your snowflake and Santa groove in early!

And BREAKING NEWS!! We have another graduate! Laurie, my cousin who has been with me from day one before the store opened is officially an empty nester! Her very smart daughter Emily has recently graduated from Christian Brothers and will attend University of Portland in the fall. Please congratulate Laurie as both of her children are college students. Not only is Laurie an awesome worker, but she's an awesome mother who is half the reason why her children turn out perfect (her husband John gets half credit too). I mean PERFECT! I raise a glass to her because her children are a splitting image of her dedication, sparking personality and she always cares! Also, she will need some tissue...

# July 2017

## *Closed: Independence Day*

Friday, July 7th 10am–12pm
