Welcome Fall and Winter!

We will soon celebrate another season of trick or treating, giving thanks, and silver bells. Have you planned your holiday cards yet? In this issue... it's all about making something handmade. We have so many classes this time of year, it's fun to see what our staff has put together. Please join us for a class this season and create gift tags, handmade cards, a 2018 calendar and come visit our designers. The lovely and talented Judikins is back in October with pop up cards and embossing techniques. And in November, look for the beautiful and creative Peggy Jo Ackley of Pink Ink Stamps. Learn the popular coloring techniques of watercolor and colored pencils.

On an end note, as we enter the fall season, schools and colleges begin for all us here at the Paper Garden... our children are growing, and I'm feeling older! This is the last year that I can say I am still not 50!!! I will be 49 in November. Omg!!!
