Where creativity blossoms!

Winter Newsletter | Volume 66 | October / November / December 2022

It's the end of the year, another holiday season at the Paper Garden Boutique, and my son Miles enters his senior year as a Jesuit High School Marauder ~ class of 2023. It's going to be a packed year at the Yee household, I can promise I will have the powerful emotion known as "tears of joy and happiness." Stayed tuned for what colleges he will be applying at and see the gray hair coming out of my what used to be brown roots.

Many fun classes will make a repeat in our boutique. Look for our popular 2023 CD calendars and mini calendar classes, as well as, gift tag classes and handmade photo albums. These make great gifts too... start early (hint, hint).

Please call the store if you would like us to send you any of our classes and we can turn them into kits for you!

****A little tid bit about me...* When I worked in Guam, my very first on-air tv job, I made friends with many of the wonderful locals and military airmen from Anderson Air Force Base. They all told me if I am going to live on Guam you must get certified as a diver, so, I did it. I went almost every weekend. We would do dives in the Piti bomb holes — there are so many of them, the area is named because it looks as if craters have been created by bombs it formed the most beautiful reefs where fresh water filters into the 30 foot lagoons to dive and it's the first time ever that I saw clown fish and deep blue colored star fish. The days of me getting into the water are very seldom, so now, I just enjoy Miles' fish tank (smiles).

All classes are available as a kit.

Please call or email us and we will be happy to send to your home or you can pick up in-store. Each kit provides everything you need to create six cards. All you need is double stick adhesive and a glue to adhere any fun sequins or embellishments. Kits make it a fun way to participate in a fun craft with your friends and family. We even have friends making cards together with a cocktail hour via zoom!
