Volume 29 | July–September, 2013

**We're Moving AGAIN!** When I decided to move my business from the Town and Country Village in November of 2011. My landlords showed me a beautiful location at the Pavilions... it was center court in front of a beautiful fountain! They did tell me it would only be temporary, maybe 2 years because they had big big big plans for this upscale shopping center. I was excited and signed on the dotted line! Well.. that two years is almost up and they were right when they said.. big plans. Come July or August (summertime-- not sure when this will happen!) my new boutique will be less than 100 yards away... I'll be sandwiched between Piatti Ristorante and Lucy Yoga Wear. Our new home will be a lot smaller, but we will adjust and you will still find our exquisite papers, stamps and one of a kind gifts all lined up beautifully across our new floorplan. We'll be a cozy family!

We hope to be shut down for only a few days and we'll have a grand opening party with lots of fun prizes, deals and oh yes... discounts! So what is going to happen this summer? We will still have our wonderful classes and this September, we'll celebrate our 7 year anniversary! Lucky Seven!! Seven years of business and we have you, our wonderful customers to thank! To celebrate our lucky 7, guest designer Julie Ebersole will be here to help kick off the celebrations with fun classes! We can't wait for you to see our new home.. this storefront will be permanent... and our new upgraded center will have lots of places to eat, shop and be merry with paper, crafting and shopping!
